RE: Arby's Walnut Bottom
Carlisle, PA

Dear Brad,

On behalf of Premier Construction Group, Inc. and Arby's Restaurant, we would like to thank you with the greatest appreciation for your cooperation, professionalism and thoroughness in completing the referenced project on schedule.

Your company's commitment to quality craftsmanship is highly notable by the appearance of the finish product and the minimal punch list that was generated by the owner. Your ability to provide the required resources was instrumental in completing this project on schedule. Your foreman and craftsmen deserve recognition and represented you and your company with the utmost professionalism. Without this type of cooperation and dedication, this project would have not been a success. The owner is extremely satisfied and extends their sincere appreciation.

In closing it would be our pleasure to have you as part of our team on future projects.

Respectfully,
